Attachment withheld Ex. 5 - Deliberative

Laura,

I don't recall if I sent this along-- you may want to ignore my notes inserted here and there.

Laura and Erin, purpose of meeting /call (to Sacto office, I presume) is to develop advice re what needs to be done for NEPA and 404 analysis. I had flagged, eg., some issues with cumulative effects. There's baseline, scope of subjects (> ESA species) etc.

IF THE PROPOSED TIME ISN'T GOOD, LAURA, COULD WE SHIFT A LITTLE LATER-- BEFORE 2 PM-- ON TUES?
